Why is life and voluntary accidental death and dismemberment insurance important?

It can be a cost-effective way to help protect your family and finances in the event something happens to you. For many people, it helps ensure that if something unforeseen should happen, short and long term financial obligations could be met. It’s important to take steps to make sure your family would be financially prepared if you were no longer there to handle expenses like:

- Mortgage or rent payments
- Child care/education fees
- Utilities
- Transportation
- Insurance premiums
- Credit card bills
- Voluntary accidental death and dismemberment benefits (VAD&D) can help provide financial security should a sudden, covered accident take your life or cause you serious loss or harm. This coverage complements your life insurance coverage and can help protect you 24 hours a day, 365 days a year.

Q. I already have life insurance through my employer. Why get more?
A. While having some life insurance provided by your employer is a great benefit, it may not be enough to adequately provide for your family. Additional life insurance can give your family greater financial security.

Q. How much life insurance do I need?
A. It may be more than you have now. You should keep in mind that insurance needs change as your life changes — for example, getting married, starting a family or purchasing a home. Many people are surprised to learn that they may not have enough life insurance to cover the many expenses their loved ones may face.

Q. What additional plan benefits are included?
A. The following additional plan benefits are available:
Grief Counseling1: Access professional support in a time of need. Meet in-person or by phone with a licensed counselor to help cope with a loss or major life change.

Will Preparation Services2: Helping to ensure your final wishes are clear. Get help preparing or updating a will, living will or power of attorney.

Estate Resolution Services2: Settling an estate with confidence. With unlimited consultations, either in person with an attorney or by phone, including court representations.

Q. How much does MetLife Term Life Insurance cost?

A. It may be less expensive than you think. MetLife has designed these life insurance plans to be an affordable way for you to help provide for your family. You'll enjoy competitive rates, with a wide range of coverage amounts to choose from.
